„Weitergabe sowie Vervielfältigung dieser Unterlage, Verwertung und Mitteilung ihres Inhalts nicht gestattet, soweit nicht ausdrücklich zugestanden. Zuwiderhandlungen verpflichten zu Schadenersatz. Alle Rechte für den Fall der Patenterteilung oder Gebrauchsmuster-Eintragung vorbehalten.“

ELBA behält sich das Recht vor, in diesen Unterlagen technischen Weiterentwicklungen zufolge Änderungen vorzunehmen. ELBA ist nicht verpflichtet, vorliegende Unterlagen zu berichtigen.

Wichtig

Bei Reparatur oder Austausch von Teilen sind nur unsere Original-ELBA-Ersatzteile zu verwenden.

Eingriffe bzw. Änderungen am Gerät sowie Nichtverwendung von Original-ELBA-Ersatzteilen seitens des Betreibers entbinden uns von jeglicher Produkthaftung als auch unserer Garantieverpflichtungen. Aus Sicherheitsgründen gilt dies insbesondere für Förderleitungen, Kupplungen und Leitungszubehör.

„La transmission et la duplication ainsi que l'exploitation ou la communication de son contenu sont interdites sauf autorisation expresse. Le non-respect implique des dommages et interets. Tous droits reserves en cas de brevet ou d'enregistrement de modele d'utilite.“

ELBA se reserve le droit des modifications dans cette documentation, dues au perfectionnement technique. ELBA n'est pas obligee de corriger la documentation presente.

Important

En cas de reparation ou remplacement de pieces, veuillez utiliser exclusivement nos pieces de rechange ELBA d'origine.

Interventions ou modifications sur la machine et non-utilisation de pieces de rechange ELBA d'origine de la part de l'utilisateur nous dispensent de la responsabilite du produit et de nos obligations de garantie.

Pour des raisons de securite, ceci est particulierement valable pour conduites de refoulement, accouplements et accessoires de conduites.

„It is prohibited to pass on and copy this document or to utilize and communicate its contents if not explicitly permitted. Contraventions make liable for damages. All rights reserved in the case of the grant of a patent or the registration of an utility model.“

ELBA reserves the right of alterations in these documents, due to technical advancement. ELBA is not engaged to correct the documents in hand.

Important

In case of repair work or replacement of parts, only use our Original-ELBA-spare-parts. Any intervention resp. alteration at the unit as well as non-usage of Original-ELBA-spare-parts on the part of the operator dispenses us from our product liability and from our guarantee obligations.

For reasons of safety, this applies especially to conveying pipelines, couplings and pipeline extras.

„Esta prohibido transmitir y copiar este documento o utilizar y comunicar su contenido, excepto que esta permitido explicitamente.

Contravenciones obligan a indemnizacion por danos y perjuicios. Todos los derechos reservados en caso de concesion de patente o registro de modelo de utilidad.“ ELBA se reserva el derecho de modificar esta documentacion en caso de nuevos desarrollos tecnicos. ELBA no queda obligado de corregir esta documentacion.

Importante

En caso de reparacion o recambio solamente deben utilizarse las piezas de recambio originales de ELBA. Intervenciones respectivamente modificaciones en el aparato asi como non-utilizacion de piezas de recambio originales de ELBA por el parte del utilizador nos dispensan de cualquier responsabilidad referente al producto asi como a la garantia.

Por razones de seguridad eso vale particularmente para canerias transportadoras, acoplamientos y accesorios de canerias.

Auf Grund technischer Weiterentwicklungen sind die Abbildungen für die Ausführung unverbindlich.
Verwenden Sie bitte unsere Original ELBA-Ersatzteilliste, da wir sonst keine Garantie übernehmen können.
Um Fehllieferungen und Rückfragen zu vermeiden, machen Sie uns bitte bei einer Ersatzteilbestellung folgende Angaben:

1. Type und Fabrik-Nr. nach: ► Typenschild an der Maschine ◀
2. Ersatzteilblatt-Nummer
3. Teile-Nr.
4. Stückzahl bzw. Menge des Teiles
5. Für Motore, Getriebe, Bremsen, Kupplungen, Ventile, Wasserzähler, Pumpen sowie für alle Geräte mit separatem Typenschild, geben Sie bitte bei der Ersatzteilbestellung alle Daten des jeweiligen Typenschildes an und die entsprechende Größe.

Due to further development the illustrations are not binding for the execution.
Please use our original ELBA-Spare parts list only, otherwise we cannot accept any guarantee.
In order to avoid wrong deliveries and additional inquiries, please let us have the following details when ordering spares:

1. Type and Fabrication-No. according to ► name-plate on the machine ◀
2. Spare part sheet-No.
3. Number of part
4. Number resp. quantity of parts
5. For all motors, gears, brakes, clutches, valves, water meters, pumps and for all components with separate name-plates, please state all technical data of this name-plate, when ordering spares.

En raison des modifications techniques toujours possible, les illustrations sont surtout données à titre d'information.
Utilisez nos listes avec attention sans quoi nous ne saurions vous la garantir.
Afin d'éviter toute erreur de livraison ainsi que des demandes complémentaires de renseignements, veuillez nous donner, pour commandes:

1. Type et Fabrication-No. selon: ► plaque signalétique ◀
2. Feuille de pièces de rechange
3. No. d'un part
4. Nombre ou quantité d'part
5. En ce qui concerne les moteurs, reducteurs, freins, embrayages, électrovannes, compteurs d'eau, pompes qui disposent d'une plaque signalétique individuelle, veuillez nous indiquer les références y figurant telles que type dimensions.

Debido al desarrollo técnico, las ilustraciones para cada ejecución son sin responsabilidad alguna.
Rogamos aplique nuestras listas originales de repuestos, ya que de lo contrario no podemos asumir responsabilidad alguna.
Para evitar errores y malentendidos, al consultarnos sirvase indicar lo siguiente:

1. Tipo y Fabricacion-No. según: ► placa de tipo ◀
2. Número de la hoja de repuestos
3. Número de parte
4. Número ó cantidad de la pieza
5. Para motores, reductores, frenos, embragues, válvulas, medidores de agua, bombas, así como para toda parte que lleva placa independiente, rogamos nos indique todos los datos de la placa, así como el tamaño respectivo.

Achtung !

Alle Zahlen in  sind keine Positionszahlen.
Es handelt sich hierbei um Hydraulikanschlüsse
bzw. Hydraulikleitungen.

Attention !

All numbers in  are not position numbers.
They refer to hydraulic connections resp.
hydraulic pipe lines.

Attention !

Tous les chiffres en  ne sont pas des numeros
de position. Ils se referent a des connexions
et a des tuyauteries hydrauliques.

Atencion !

Todos los numeros en  no son numeros de posicion.
Se refieren a conexiones y tubos hidraulicos.

Achtung !

Alle Zahlen in sind keine Positionszahlen. Es handelt sich hierbei um Hydraulikanschlüsse bzw. Hydraulikleitungen.

Attention !

All numbers in are not position numbers. They refer to hydraulic connections resp. hydraulic pipe lines.

Attention !

Tous les chiffres en ne sont pas des numeros de position. Ils se referent a des connexions et a des tuyauteries hydrauliques.

Atencion !

Todos los numeros en no son numeros de posicion. Se refieren a conexiones y tubos hidraulicos.

15 ANZUGSMOMENT = 400 Nm

Vor dem Einbau Zahnstange und Ritzel mit Haftschmierstoff einpinseln

Prior to assembly rack and pinion are to be brushed with adhesive lubricant.

Avant installation, peinturlurez cremallere et pignon avec lubrifiant adhesive.

Achtung!

Alle Zahlen in **○** sind keine Positionszahlen. Es handelt sich hierbei um Hydraulikanschlüsse bzw. Hydraulikleitungen.

Attention!

All numbers in **○** are not position numbers. They refer to hydraulic connections resp. hydraulic pipe lines.

Attention!

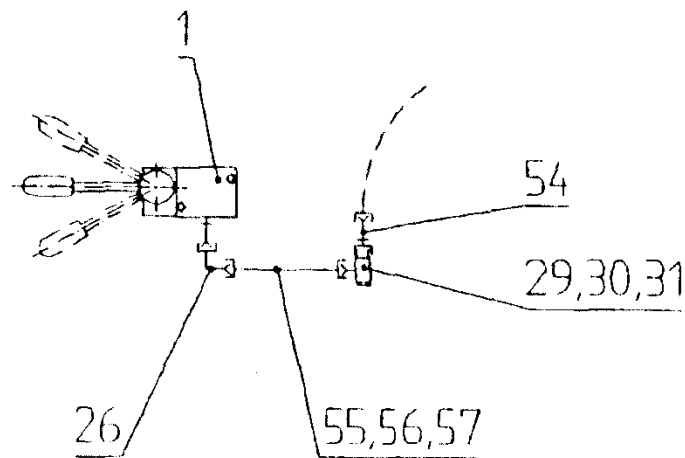

Tous les chiffres en **○** ne sont pas des numeros de position. Ils se referent a des connexions et a des tuyauteries hydrauliques.

Atencion!

Todos los numeros en **○** no son numeros de posicion. Se refieren a conexiones y tubos hidraulicos.

- ① Anschluss Hochdruckfilter R1/2" Ausleger
- ② Anschluss Hochdruckfilter R1/2" Speicher
- ③ Anschluss 2-fach Block
- ④ Anschluss Hochdruckfilter R1/4"
- ⑤ Anschluss Leckoel (Oeltank)
- ⑥ Anschluss Pumpendruck Betonpumpe
- ⑦ Anschluss Pumpenverstellung
- ⑧ Anschluss Speicherdruck
- ⑨ Anschluss Auslegerdruck
